Teachers often spend as much as \$1000 of their own money to stock their classrooms with the most-needed supplies. Guilford Education Alliance (GEA) operates the Teacher Supply Warehouse to help offset that cost. The Warehouse offers Guilford County Schools teachers classroom supplies at NO COST. This is only possible through the generous donations of the community.

Help us keep the shelves of the Warehouse stocked this year by helping with the **STUFF THE BUS** supply drive on **Saturday, August 7th**. From 9am to 6pm, school buses will be parked outside of 4 area Target stores. Volunteers are needed to pass out information to shoppers as they enter the stores and to collect supply donations as shoppers exit. Pick a store location, then sign up for a time.

It's an **EASY** way to make a **BIG** impact!
